February 18, 2009

TO: MAP/AMRA Members and Invited Guests

FR: UICS Committee Co-Chairs: Len Vogt (Lenco), Joe Henmueller (Midas), Denny Bowen (Hunter Engineering)

RE: 2010 UICS Update

You are cordially invited to participate in the review process of the Motorist Assurance Program's (MAP) Uniform Inspection & Communication Standards (UICS). If you would you like to see changes, clarifications or updates to the MAP UICS's complete the attached form for each item you want reviewed. Then fax it to the MAP office, or complete the form at www.motorist.org and automatically e-mail it to MAP.

Please complete one form per change/update/clarification.

Send to: Tim Tierney tim@motorist.org or FAX: 202-318-0378

The Uniform Inspection & Communication Standards are published on even years and updated on odd years. In 2009 we will be adding new components & systems as well as updating existing entries.

Deadline for sending requests is: March 15, 2009

There will not be a line-by-line review of the UICS. Instead, items will be discussed during the Technical Committee meetings which will be held in January, April and September 2009. **Your request** will be considered and you may be called for additional information. Please remember to include your phone & fax numbers as well as your e-mail address. If you (or someone in your company) would like to participate on the Technical Committee, please contact Tim Tierney. If you have any questions about the process or logistics call: Tom Placek at 847-253-2850

Questions about UICS content? Contact: Tim Tierney at 703-532-2045,

tim@motorist.org

Thanks, in advance, for your cooperation and input.
